01 · COMPANY OVERVIEW

Syntex Paint Technologies

Syntex Paint Technologies is based in Karachi, Sindh, and serves projects across Pakistan. Its work spans painting, floor coating and waterproofing.

OUR PHILOSOPHY

Coat. Protect. Beautify.

Coat

Choose a finish suited to the surface and space.

Protect

Apply the selected system with surface protection in mind.

Beautify

Bring the finish together with care and attention.

02 · SERVICES

Painting

Interior and exterior painting for homes, commercial buildings and other spaces.

Floor Coating

Epoxy flooring and protective floor finishes for commercial and industrial environments.

Waterproofing

Roof and building waterproofing to help protect surfaces from water penetration.

Industrial Interior & Exterior Painting

Painting and coating for factories, warehouses and industrial buildings.
